Features & Benefits:

Using the latest development in sports/active footwear construction for its inspiration, BAZ is a full spec safety trainer boot bristling with style. The upper merges injected moulded thermo-polyurethane with quality action leather ensuring a tough but flexible upper that provides breathability while worn. BAZ adopts the use of advanced lining material ramping up the comfort levels supported by a quality insole. BAZ brings real contemporary street style to the workplace. Being part of the TRADEZ product range BAZ provides maximum quality to the consumer boasting the lowest warranty rates in the UK market.
