Features & Benefits:

For those users who like a higher leg boot style we introduce Buckshot BSH011, a safety boot with real attitude and extra all-round wearer protection.

Everything about Buckshot BSH011 makes a statement – the combat boot profile, the distinctive upper design features, the supertough anti-scutt cap, the beefy sole and the extensive EN standards and waterproof specification.

BSH011 ramps up the innovation levels with a unique drivers flex piece at the back of the boot which allows flexible bending while driving.

This is a boot which begs to be put to the test.
